BOX

NEW MECHANICAL ADVANTAGES

- Easy accessibility for maintenance or service.
- Just four screws — and one electric plug — releases complete mechanism.
- Rugged, wearproof, anti-jam selector switch banks of case-hardened steel plus beryllium copper springs.
- Precision made credit unit of revolutionary design easily adapted to rate of play.
- Slug rejector face immediately at hand when box opened.
- Big capacity, portable cash box.

NEW SIMPLE RECEIVER

- Field proven, dial telephone type basic stepping switches.
- Fewer parts.
- Simplified, easy-to-follow circuits.
- Stepping switch and relay adjustments made without disassembly.
- Floating, rubber mounted chassis.

NEW "BAR-GRIP" BRACKET

- Rigid aluminum casing absorbs abuse and mis-handling.
- Rubber mounted to protect bar and counter surfaces.
- Combines polished and satin finishes for eye-appeal.
- Cleft sign decoration reminds patron of music at hand.
- Special clamp for easy installation of entire wall box and bar grip assembly.
