

DOUBLES- TREBLES PROFITS!

**MODERNIZE YOUR
PRESENT EQUIPMENT**
with
Keeney's Remote Selector
WALL BOXES

LOCATIONS BECOME
**YOUR'S
FOREVER!**

Your present equipment plus a Keeney Wall Box installation insures the permanency of each and every location — completely eliminates the worry of losing a good spot to an operator with a newer model phono. And profits go up 200% to 300% at once!

**EASIEST, QUICKEST
BOX TO INSTALL**

Keeney's Remote Selector Wall Box has been engineered so completely that it is by far the easiest and fastest to install. In fact there are but 4 wires to connect to box.

Your present equipment can be quickly and permanently modernized because this new wall box is adaptable to any make or model phonograph — can be used in a combination of phonographs such as two 12 record models to make a 24 record job.

Adjustable from 12 to 24 records. From 1 to 24 coins may be deposited in every location box at the same time and each selection will follow in order, no waiting for lites to go out. Program plate, selector dial and cabinet illuminated. Slug-proof, cheat-proof National slug rejector standard equipment. So simple—trouble-proof operation assured.
